Recommendations for Participants at Equine Events

CDFA Animal Health Officials are continually monitoring for EHV-1 cases. CDFA reminds horse owners traveling with horses to participate in an equine event, that there is always disease risk when horses of unknown health status are commingled for a show or competition. CDFA strongly recommends that horse owners practice proper biosecurity when attending an equine event. Compliance with basic biosecurity practices is an important factor in reducing risk of exposure to all contagious equine diseases. Basic biosecurity measures to follow to decrease potential disease spread at equine events include:

- Limit horse-to-horse contact
- Limit horse-to-human-to-horse contact
- Avoid use of communal water sources
- Avoid sharing of equipment unless thoroughly cleaned and disinfected between uses
- Monitor your horse for clinical signs of disease and report any temperature over 102°F to a veterinarian

CDS PONY AWARD

CDS has created a Pony Award. The high scoring pony at Training - Grand Prix (Freestyles excluded) at each CDS recognized show will receive a High Score Pony Ribbon.

The shows should:

1. Identify the high scoring pony on their CDS COVER SHEET.
2. ATTACH a copy of the USEF DRESSAGE pony measurement card.

The CDS Central Office will send out the award to the pony rider. All pony riders should inform show management that they would like to be considered for the CDS Pony Award.

To be eligible, all ponies **must** have a current USEF DRESSAGE Pony Measurement Card.

If the pony is measured at a show and receives a temporary show measurement, that measurement will be good for all CDS shows during that show season.

CDS will also offer a Year End Award to the Highest Scoring Pony in Open, Amateur and Junior Divisions.

Ponies

Technical Delegates are certified to measure ponies with the USEF approved stick. Measuring must be performed by a TD, with the show veterinarian. In order to be officially measured, the pony must be entered in the competition. The owner must be a USEF member or pay a fee.

Dressage and/or DSHB competitions which offer classes or divisions limited to ponies are required to have an official measuring stick available and the TD must be on the Federation list of those approved to measure, or a licensed Steward must be present.

If classes restricted to ponies are not offered, the competitor is responsible for arranging the measurement and the cost of the on-call vet.

Adults and Juniors may show ponies in dressage. If you own a pony, read the entire section in the USEF Dressage Rules. www.usef.org.

CDS will accept temporary show measurements and the competitor may take that measurement form and use it for that show and any CDS show during the current show year. The USEF official DRESSAGE PONY measurement cards will be accepted as a valid card.

There are no courtesy, or trial measurements. Once the show officials place the stick on the pony, the measurement is final. Ponies must be re-measured annually until they reach the age of eight.

Your responsibility as a pony owner and or rider:

1. Know the rules. If you have any questions, call USEF.
2. If a pony class is offered at a show and your pony does not have a current measurement card, contact the show management to make sure they have an approved metric stick, and at the same time letting them know your pony needs to be measured prior to its class.
3. If you are in possession of a valid USEF DRESSAGE pony measurement card, then, simply enclose a copy of it with your entry.
